Re: [\_\_\_\_\_] visit to the United Kingdom

To Whom It May Concern,

This letter is to confirm that I, [\_\_\_\_\_], the parent of [\_\_\_\_\_], give my consent for my child to travel to the United Kingdom to attend the Oxford Study Courses Pre IBDP (International Baccalaureate Diploma Programme) Summer School taking place between [\_\_\_\_\_] in Oxford.

The OSC IBDP Summer School is designed for students who are about to start the IBDP in the following school term. OSC is accredited by the British Accreditation Council ([www.the-bac.org](http://www.the-bac.org)), and is based in Oxford, UK. OSC has been providing IBDP enrichment courses for 25 years. The course is residential at St Antony's College, University of Oxford. Students live and work alongside their fellow IB students, teachers and OSC staff, for the duration of the course.

I would appreciate you admitting my child [\_\_\_\_\_] as a visitor to the United Kingdom so that they may attend OSC's course.

Yours faithfully

[\_\_\_\_\_]
